

# NFI North

Inspiring and empowering people to reach their full potential and live successfully in their community

## WHO ARE WE?

NFI North was created at a time when people who had mental health needs were institutionalized due to a lack of community services. As a result of this widespread practice, people's lives and futures were adversely affected.

Today, stigma and discrimination still exist—but as millions of us raise our voices, harmful misconceptions are beginning to decrease. NFI North believes that people thrive best on their own and in their community. We provide services that empower and inspire people to reach their full potential.

NFI North provides an array of services across Maine and New Hampshire. The agency is an accredited, well-recognized, high-quality, nonprofit organization whose focus is on helping people help themselves. We accomplish this by providing specialized education, counseling, supported employment, care management, foster care, residential services, as well as many other services designed to meet the needs of the people we serve.

# ABOUT COMMUNITY CASE MANAGEMENT

---

## WHAT WE DO

We listen.

NFI North Community Case Managers are there for you through both the good times and the bad. We meet with our participants regularly to learn both their needs and their wants. We are strong advocates for your voice and choice and carry that mission throughout the Person-Centered Planning process so that your goals are entirely your own.

It is our pleasure to connect our participants to services that help them better access the community and pursue their own unique interests. Let us help you break down barriers and get the most out of life.

We have offices in Bangor and Bridgton and are currently accepting referrals. To be eligible for this service, an adult must have an intellectual or developmental disability and have MaineCare coverage.

NFI North prohibits discrimination and harassment of any type without regard to race, color, religion, age, sex, national origin, disability, sexual orientation, gender identity, or any other characteristic protected by federal, state or local laws.
