

NFI North, Inc.

Inspiring and empowering people to reach their full potential and live successfully in their community

Mission Fund

NFI North, a dynamic and multi-faceted human service and behavioral health nonprofit organization providing counseling, educational, psychological and residential services for children, youth, families, adults and seniors continues its drive to raise \$150,000 to respond to the unmet needs of the people we serve.

The Mission Fund provides just the right opportunity at just the right time. Through the fund children, youth and adults can receive something as simple, yet as critical as the resources necessary to complete college applications, cover the cost of driver education, or even secure a deposit for a first apartment. The Mission Fund ensures that we can break through the barriers people experience as they work to realize their personal dreams and aspirations.

Won't you help us ensure the success of the Mission Fund?

In the first phase of this important campaign we've already raised more than \$100,000. A donation to the fund can be made in full or if you prefer pledged over a three year period. Any donation to the Mission Fund is tax deductible.

Our Goal is to Raise \$150,000 to help offset the unmet needs of those we serve
